**UPTAKE**

Join us as we celebrate public STEM programs with STEM community members, educators, academic and industry leaders, and young professionals from across Chicagoland.

# CHICAGO COUNCIL ON SCIENCE AND TECHNOLOGY

## OUR MISSION

C2ST seeks to enhance the public's understanding of and appreciation for science and technology and their impact on society. We do this by providing public discussions of emerging and important science and technology issues. This fundraiser will provide C2ST with much-needed financial resources to help support its mission.

## 2017-2018

Program Statistics

**Produced 32 Programs**

consisting of 65 hours of programming

**Hosted 89 Experts**

both local and international

Programs were attended by **4,00 people** either in-person or through online streaming

**74 Cents** of each Dollar was spent on quality programming

Recordings of our programs and highlight videos were **viewed over 20,000 times** on our YouTube Channel

**95% agree** that C2ST is a source of valuable and relevant science information
