CHICAGO COUNCIL ON SCIENCE AND TECHNOLOGY

OUR MISSION

C2ST seeks to enhance the public's understanding of and appreciation for science and technology and their impact on society. We do this by providing public discussions of emerging and important science and technology issues. This fundraiser will provide C2ST with much-needed financial resources to help support its mission.

"Every year I look forward to the annual C2ST gala! It attracts such interesting scientific researchers, leaders and enthusiasts from the Chicago area. Plus, I enjoy meeting the lifetime achievement and young professional awardees - they're always inspiring people!"

- Zuri McClelland,

C2ST Auxiliary Board Member

2018-2019
